

New municipal offices

The new municipal offices of the Education and Senior Residents Councils were re-inaugurated by Mayor Eduardo Dolón at Maldonado street no. 5, after having been completely remodelled. Refurbishing works have been performed with no cost for the Administration by the company that is building

the new Holy Week museum, which may be finished by Spring-Summer, Mayor Eduardo Dolón stated. The Mayor also announced the imminent opening of the library at Diego Ramírez avenue no. 5 (next to former 'Acequión' school), also enhanced by the same building company for free.

The Greens campaign for the train

The green party 'Los Verdes-European Greens' will ask in Plenary session about the measures adopted by the Local Council to bring the train to Torrevejeja, as unanimously agreed in the Plenary session of

December 2010. Furthermore, the greens launched a campaign on the streets and social networks to inform and make residents aware of the importance of including Torrevejeja in the railway plan.
